### WHAT IS S.T.A.R.S?

S.T.A.R.S, formerly known as Strive for College, works to foster a supportive relationship between San Jose State University mentors and high school students. Strive is a resource point for guidance and exploration in learning more about college and career success. Considering the ongoing pandemic and climate change (California fires), we are hosting all workshops, lobby hours, and sharing videos virtually starting September 9th (note our Fall schedule).

### ATTENDANCE:

Each workshop will be held on Wednesdays from 12pm-1pm. Attendees will have their name added to our first giveaway a **\$30 Amazon gift card** (note, each session will be 1 added chance of winning), and our second giveaway will pull from a pool of students who attend 5 of our 6 workshops; this semester there will be a chance to win **Apple AirPods**. All participants will receive a certificate of completion at the end of the program.
